

Coronation Resources for Schools

We have gathered together resources that have been created for schools to use as you mark the coronation of King Charles on May 6th.

Schools will need to select and adapt the materials to suit the age of your pupils and your school context.

Background information about the coronation service

[Westminster Abbey](#) **Primary and Secondary**

Information about the history and symbolism of coronations. This [Spotlight on coronations](#) gives lots of information and things to look out for at the coronation service.

[Coronation Club](#) – an online series of events for children starting 30th March

[Historic Royal Palaces](#) **Primary, Secondary and Send**

These resources are designed to support teachers wishing to explore the Coronation of His Majesty King Charles III with their students. They aim to bring to life coronations past and to bring context to the forthcoming coronation, engaging students in a conversation about what this means as a marker in time and as a transition to a new era. There is also information about the crown jewels
