

## Collective Worship, Spring Term 2026: 'Shine like stars!'

We gather together for collective worship that is **inspiring, invitational and inclusive**, reflecting the fact that we are a part of a diverse school family and the wider church community, serving the needs of our unique school contexts. We begin this new term, and 2026, with a new story-saga theme, based on the **story of Daniel** and how his actions stood out in the challenging times in which he lived. Whilst we recognise that all these stories contain difficult themes, and might imply that standing up for your beliefs could mean certain death, we take the positive messages from each story in how Daniel and his friends were such a contrast to the leaders they served, and indeed **shone like stars** (*Daniel 12:3*). In our world today, we want to inspire resilience in our pupils, to be confident in who they are and what they stand for, just like Daniel, and to be positive role models in your school community, even when it might be difficult. We link this in the 2<sup>nd</sup> half of term with some stories of some equally radical people from history who also 'shone like stars', using materials from the brand new book, **'Heroes of Hope'**\*\*\*, which we hope many of you have already discovered. We finish with Easter and think what this meant for Jesus in the journey to the Cross.

**\*\* Please check words to songs before you use them!** We are using some familiar and some new Nick and Becky Drake songs in the first half of term: [Justice](#) (NBD) / [Courage](#) (NBD) / [Truth](#) (NBD) / [Every step](#) (NBD) / [All through history](#) (NBD) but do feel free to substitute from your own school collection if you need more variety! Version with actions: [All through history](#)

- Additionally, **Christian Aid** are hosting a number of really sing-able songs campaigning for justice, which you might want to use here, or in other parts of school life: <https://www.christianaid.org.uk/get-involved/schools/global-neighbours/fischy-music> We use one ([Speak up](#)) in this series, but you might want to play others as children enter or leave collective worship.

**Song references:** BBC – BBC resources, links to online version; NBD – Nick & Becky Drake songs. POPUK – free access to a huge songbank, which you can use to find alternatives: [FREE song bank / for primary schools](#)

**\* OPTIONAL:** Although we link to the chapters in BibleGateway from Daniel, do use the equivalent passages in a good children's Bible for brevity! You may wish to use any Bible words we reference in the script earlier on in each collective worship, in addition to the place that they are explored as part of the 'Words for worship' section. In this way, you might encourage children to think how these words might be relevant to this term's theme, or specifically to your school community, which may be especially relevant for any Church schools. You might like to use these questions:

- *I wonder what you think these words mean?*
- *I wonder how these words might connect with today's story or our school's vision & values?*
- *I wonder how these words might help us in the life of our school?*

\*\*\*'Heroes of Hope' is a new book written for schools, featuring the lives of 22 diverse people from across the world who are heroes of hope in the way that they have challenged discrimination, dared to be different or inspired hope in others. Each church school in the Diocese of Guildford has been gifted a copy by the National Society; we are very grateful to the authors, illustrators and publishers for permission to use some of the visuals in this term's resources. If you have not yet collected yours, please contact [jane.whittington@cofeguildford.org.uk](mailto:jane.whittington@cofeguildford.org.uk) or pop into Church House, Guildford to pick it up.
